**Notes on Freight Quotes. If this quote includes freight charges please consider the following:**

Unless specified in the quote,

- Freight is quoted only for the item (s) at the time of the request. Should the customer add options to the order the freight amount will increase.
- This quote is valid for 10 days.
- This quote is based upon shipment to a business location in the Zip code provided. The quote is based on the assumption that the business has a loading dock and fork truck to unload the package.
- There will be additional charges if the carrier determines that the ship to location is Non-Commercial, also referred to as a “residential: or “farm”.
- There may be additional fees for:
  - No dock
  - Lift gate services
  - Advance-notice phone calls
  - Delivery to schools, churches, or government offices
  - Delivery to location needing an appointment and / or escort such as: military facility, secure commercial facility (i.e. large mill or plant)
- *These are the policies of the carrier not of Wellsaw.*

### **OSHA STATEMENT**

Wellsaw bandsaw machines meet the OSHA safety standards that are in effect as of the time of this writing. Compliance with OSHA requirements is the legal responsibility of the user. All Wellsaw bandsaws now include as standard equipment, blade guards, low voltage protected switches with automatic cut-off at the completion of a cut, enclosed belt and pulley guards and grounded electrical features.

### **WARRANTY POLICY**

#### **WARRANTY PERIOD:**

Machines: One year from the date of purchase.

Parts: 90 days from the date of purchase.

Wellsaw bandsaws are warranted against defects in material or workmanship installed or performed at our factory. Within the warranty period we will, free of charge, at our option, either repair or replace any part which our examination discloses to be defective because of workmanship or defect in the material. This warranty does not apply if the machine or part has been used in a manner inconsistent with its design or which has been subject to accident, alteration, abuse or misuse or which fails due to lack of care or is the result of improper power supply and specifically does not apply to normal wear. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. Wellsaw shall not be liable of consequential or incidental damages suffered or incurred with respect to defective materials or workmanship. We do not authorize any person or representative to make any other warranty or to assume for us any liability in connection with the sale of our products other than those contained herein. Any agreements outside of or contradictory to the foregoing shall be void and of no effect. All transportation costs on products or parts submitted to Wellsaw under this warranty must be paid by the user. No products or parts are to be returned without first obtaining permission.
